

We Hope You Will Join Us...

For the Wall Street 10th Anniversary Sale, Saturday, October 21, 11:00 A.M., at the Farm

It is with pride that we will offer 115 of our best Holsteins, Swiss, Ayrshires, and Milking Shorthorns in our 10th anniversary sale. We have always had a passion for high type and deep maternal lines, and we have made it our work to build on strong cow families in the quest of the next generation surpassing those previous. By using the best bulls available, we have built a herd that we are very proud of and will offer you the opportunity to start your own chapter with these families. The young cows, heifers, and calves we will sell represent **our best** and we are confident that whether you are looking for an outstanding show winner, cow family to build upon, or a deep-pedigreed Red & White, you will find what you are looking for here.

Many of the families that we have worked with represent generations of breeders' lives and hard work. The purchase of the Spring-Fed herd helped us continue their deep families and gave us more members of the **Spring-Fed Shark Attack (4E-93)** family that has been so successful for us. Also offered on sale day will be members of the **Supreme (2E-91)**, **Bell Ginny (VG-86 GMD-DOM)**, **Jet Crystal (EX-4E)**, **Atwood June (EX-90)**, **Rosa (EX-90)**, **Sugar-Red (2E-91)**, **Redman Flip-Red (VG-87)** and **Allie (2E-90)** families plus many others.

We will offer Juniors, 4-H members, and FFA members a discount on anything they purchase, in addition to free trucking within 30 miles of the farm.

The herd will be re-scored in late September and updated scores will be in the catalog. Please check our website and Facebook pages regularly for updates and see our sale ad on pages 30-31 of this issue of the *News* and our September *News* ad for more details on animals selling.

We truly believe that the cattle we will offer are "the right kind," to build upon. It has been our pleasure these last 10 years to form friendships with so many wonderful people. We hope you will celebrate with us on October 21 and take home some "Wall Street" genetics to build your future upon.
