If ever we had “the total package” at Wall Street Dairy, Renee is it! Sired by Lawn Boy, she is polled, carries red factor, and will be an integral part of our show string this summer. An outstanding young cow in her own right, she is backed by eight generations of Excellents in the **D-R-A August (4E-96-DOM)** family. Renee’s dam, **R-E-W Rosa-ET (2E-90)** by Salto, is proving herself a popular brood cow for us and through offspring in other herds.

Renee’s new score was just one of the highlights of our June classification. Our herd BAA rose again to 110.6 with 13 Excellent and 19 Very Good. We recently pictured some of our best young cows and will continue to feature highlights of our herd. Your visit and inquiries are always welcome.
