

A dozen unique opportunities across four different breeds and five sales in April alone

Spring-Fed Damion Frizzle (VG-88)

Looking for a show-age calf with an impressive pedigree including several generations of EX & VG ancestors? Then you need to check out Frizzle's June calf, **Wall-St Pagewire Freedom**. She will be one of our featured consignments for the Chautauqua-Cattaraugus Spring Production Sale on April 7 in Cherry Creek, NY. Her dam has been turning heads since arriving at Wall Street and her calf is already doing the same.

Marlindale Luxury Zoey (EX-93)

Zoey is the Guernsey that first made us fall in love with the breed. As tall, powerful, and impressive as any Holstein we have owned on Wall Street, Zoey made her presence known early upon her arrival. We have successfully flushed her and her first heifer on the ground, **Wall Street Aaron Zeld-ET**, is being offered at the NY Spring Carousel Guernsey Sale on April 13. Zeld is already a proven show winner after being named Junior Champion and Reserve Grand Champion at the 2011 Chautauqua County Fair.

We will be offering show-age calves, open heifers, springing heifers, and fresh cows at five different sales across New York State. In addition to the sales mentioned above, we will also be consigning other Holsteins and Guernseys, Milking Shorthorns, and Red and Whites at the NY Spring Carousel Milking Shorthorn Sale on April 13, the SUNY Alfred Spring Fling Sale on April 6, and the Allegany-Steuben Spring Sale on April 27.
