

THANKS FOR YOUR VOTE OF CONFIDENCE!

I am humbled and honored to have been chosen as one of your new National Directors. I had the opportunity to meet many of you at the 2013 Convention that was held in Chautauqua County, NY, where we farm. We enjoyed having you visit our herd and we hope that you will come back and visit us again very soon. We have doubled in size since your last visit and now have a BAA of 110.5.

Due to my off-farm job in northern Illinois, I split my time between here and our farm in western NY. Since I am near the Wisconsin border, I hope to meet many of you at upcoming shows and sales. In particular, I hope you will stop by and see me at the Red and White Dairy Cattle Association booth this year at World Dairy Expo.

I look forward to hearing from you and learning how together, we can make this great association even stronger. Thanks again for your vote and I look forward to serving you.

Jeff Winton
