LTD: 103,000M 3700F 3400P

Lulu's dam has records to 1027f. Lulu has a Berkeley daughter due in June and a yearling daughter by Reagan.

It has been a thrill to watch these cows excel in type and production and pass these traits on to the next generation. Thank you to Greg & Kathy Wolcott and their family and members of the Winton family for developing these cattle and caring for them on a daily basis. Your visit to see the "colorful" Wall Street herd is welcomed!
