Sired by Alexander, Jewel is one of our most promising young cows and attracts a great deal of attention from visitors! Tall, long, silky, and black with a spectacular udder, she is the kind of cow upon which we are building our breeding program.

Jewel came to us as a baby calf through the Allegany-Steuben Spring Sale in 2011. She now completes six generations of VG & EX. Her rich pedigree features many of the best sires of the Holstein Breed: a VG-88 dam by Lou, followed by a VG Durham, then 3 more EX dams sired by Chief Mark, Tempo, and Triple Threat. Jewel has given us two fancy daughters by Atwood: **Wall-St G W Atwood June** born 6/30/13 and **Wall-St Atwood July** born 7/2/14 and she is due again June 30 to Bradnick. We have great hopes for a bright future with this growing family.

Jewel was one of several highlights of our October classification which yielded 3 new Excellents and a breakdown of 16 EX 38 VG 12 GP and a BAA of 109.5.

*All of us at Wall Street Dairy wish our Holstein friends
Blessed Holidays and a Happy, Healthy New Year.*
