

# Thank You Phil Clark, Clark Crest Holsteins, Randolph, NY!

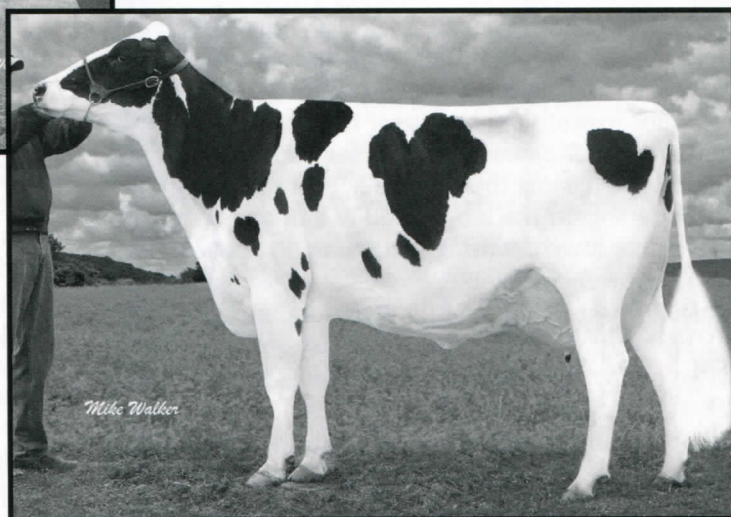

## For your confidence in Wall Street Dairy genetics through the years

### WALL-ST ALEXANDER AVERY-ET (2E-91, EX-MS)

3-06 2x 349 29,350 4.0 1167 3.5 1038

Avery is a 6th generation VG or EX and a daughter of our foundation cow, **Spring-Fed Shark Attack (4E-93)**, that has built such an important family here. Phil purchased **Wall-St Mayfield Astrid (GP-81)**, Avery's daughter, as well as **Wall-St Yoder Adele**, a granddaughter of Shark Attack, in our 10th Anniversary Sale.

### SPRING-FED BUCKEYE GERRI-ET (2E-93)

8-03 2x 347 32,250 3.9 1242 3.2 1031

Gerri completes 9 generations of VG & EX in the **Darling-Farm Bell Ginny (VG-86 GMD-DOM)** family. Phil now has her daughter, **Wall-St Supersire Gellie-ET (GP-83, 2y)**, who is making a tremendous record at 2-04, as well as Gerri's granddaughter, **Wall-St Observer Genny (GP-83)**, with 31,930 4.2 1346 3.4 1097 at 3-05.

Phil Clark has been a long-time friend and a great believer in our breeding program through the years. His 13 purchases at our 10th Anniversary Sale descend from several of our favorite maternal lines and it is gratifying that they got a good home at Clark Crest. They join several other Wall Street Dairy cows Phil has bought through the years. We appreciate Phil's eye for the good ones and terrific cow care and look forward to watching these young cows develop.

We welcome your interest and inquiries as we continue to build upon the genetics we retained after our October sale. Several key purchases from some of the Holstein Breed's most revered cow families have also been added. We will keep you posted!
