Due in June to Bankroll.

Africa came to us via the Co-Vista 20th Anniversary Sale in 2012 and she has proven to be a valuable addition to our breeding program. Sired by Fustead Goldwyn Guthrie-ET, her dam is an EX-90 Mesland Duplex-ET with records to 31,070 3.5 1084 3.4 1048, followed by a VG-87 Brass with 1478f and multiple sons in A.I. Her 5th dam is Morningview Converse Judy (EX-93 GMD-DOM), a 4th generation bull mother, so her pedigree is a famous one full of long-lived, high-producing, high-scoring cows. Africa looks to follow in her ancestors' footsteps.

Africa is one of four new Excellents from our December 2015 classification. In addition, we had one new EX-93 and two cows raised to EX-91. The classifier also appreciated our young cows, leaving us with 4 homebred, VG 2-year-olds. We were pleased to have a final breakdown of 17 EX, 42 VG, and 20 GP.

Best wishes to all in 2016! We hope that your New Year will include a visit to Wall Street Dairy. We have breeding stock of all ages available.
