MARSH-VUE AD PATTIE-RED-ET (EX-91 EEEEE)

3-01 2x 338 35,230m 1019f 1120p

It's no secret that we love our Red & Whites at Wall Street Dairy and Pattie is among our favorites. Sired by Advent, she came to us through the Red & White National Convention Sale in 2013 and has been a great addition to our breeding program. She now completes 8 generations of Very Good & Excellent cows and all 7 dams have over 100,000M lifetime, 6 of them with records over 1000f. Her dream sire stack includes a 2E-90 Mr Burns dam with records to 35,880 3.9 1395 2.9 1042, followed by a VG-86 September Storm, VG-85 Allen, a VG-85 Rudolph who made 56,039 3.8 2127 3.1 1715, then 3 more long-lived, VG dams. Pattie has one daughter here to date, **Marsh-Vue Ladd P Pamela-Red (GP @ 2y)**, a promising young Ladd P with a bright future.

We invite your visit to Wall Street Dairy to see our Red & Whites and the other cow families at the heart of our herd. Located just off Route 86 and near the New York State Thruway (I-90), we are a convenient stop to those traveling to the National Holstein Convention in June!
