High Honorable Mention All-New York Junior 3-Yr-Old

When we founded Wall Street Dairy five years ago, our goal was to breed cattle that would produce well and be competitive in the show ring. Alma exemplifies our mission and as one of our most competitive show animals in 2012, she culminated the season with her 3rd place at the New York State Fair Open Show. She also placed 1st at the Chautauqua County Fair, 2nd at the Chautauqua County Holstein Show, and 4th at the WNY Regional Show. A beautiful daughter of Dundee, she hails from one of our favorite foundation cows, **Spring-Fed Mr. Sam Anne (2E-91)**, who in addition to Alma has daughters by Buckeye and Sanchez. Behind Anne are 5 more generations of Canadian-bred, Very Good dams sired by Cousteau, Charles, Lindy, Starbuck, and Matchless Jewel.

In two calvings, Alma has contributed three daughters to our herd: **Wall-St Buckeye Almond**, due in February to Braxton-sexed, and June '12 twins, **Wall-St Braxton Almudena-Tw** and **Wall-St Braxton Almira-Tw**. It is truly a wonderful cow family for type, production, and heifer calves! Alma will be re-scored with the rest of the Wall Street herd this month.

Thank you to all who contributed to Alma's tanbark success this past year. We're gearing up for 2013 ... stay tuned!
