

Thank You!

To all who toured Wall Street Dairy during the Red & White Dairy Cattle Association Convention

We were pleased to have so many visitors see the Wall Street herd and we thank everyone for their kind words. Special thanks to Darren & Heather Carlstrom, convention chairs, for their hard work and efforts in making this a huge success. We also thank Jeremy McChesney for purchasing our heifer in the R&W Convention Sale, **Wall-St Advent Siri-Red-ET**, and wish him the best with her. A special thank you to all our family and team here, especially farm manager Greg Wolcott and his family, for all their work in preparing for the tour. It was a day that will long be remembered.

The Wall Street herd was re-scored in August and our BAA increased to 110.5. We were so pleased to have 3 new Excellents and 15 Very Good 2-year-olds, including several homebred daughters and family members of **Spring-Fed Shark Attack (4E-93)**. The future looks bright indeed!

Visitors are always welcome!
