

Amber went to Madison.

She showed like a dream and looked like a million bucks.

Then she won.

Coming on the heels of winning her second consecutive Junior Champion award at the 2014 New York State Fair, Amber traveled to Madison, Wisconsin, where she topped the Winter Yearling class. She was also one of four heifers pulled out for consideration for the 2014 Junior Champion award. Never missing a beat while walking around the ring chewing her cud (her hallmark), Amber made us all very proud and gave us a day that we will long remember.

Judge Michael Heath, with Associate Judge Jack Lomeo at his side, commented after placing Amber first: **“We have a handy winner at the top of this class today. A heifer with a beautiful square cut about her. She is extremely balanced all the way through with great depth of body. She overwhelms the heifer in second place due to her balance, her mass, and her depth.”**

Amber liked Wisconsin so much that she has moved to a new home, Me-Do Meadows, while she waits to deliver her first calf due in early March. She is checked safe after being bred to Kuszmar Mudslinger EX-90, bred by the Kuszlyk Cattle Company, Batavia, NY.

None of this would have been possible without the superb care and conditioning that Allan and Jo Merrill, Merrillea Holsteins, provided to Amber since she was a baby. Their son, Shaun, and the gang at Black Fire Cattle Care, also played a major role in this success. We would also like to thank Cassy Krull who led her to the victory this year; Lucas Potter who has believed in Amber from the very beginning and helped fit her at a number of competitions, including 2014 Expo; and Jordan Thomas and the Jo-Dee gang who transported her, cared for, and fitted her at the last two shows in Madison. Toby, Missy and Scott Winton and the Wolcott family have also been instrumental to her success.
