Ronnie's record is the highest ever for a first-calf heifer at Wall Street Dairy!

Sired by Siemers Toy Hero 9701-ET, her dam is Astrahoe JMS Ruby Robette (EX-90, EX-MS) with records to 1547f, followed by Astrahoe Stormatic RR Ruby (EX-90, EX-MS) with 40,700 3.9 1604 2.8 1152. The next 13 generations are all Excellent back to Audrey Posch (EX-93).

We are proud to have a branch of this history-making cow family in our herd and look forward to building upon Ronnie as she develops. She is a fantastic young cow with a will-to-milk like no other young cow we have ever owned! Cow families like this are the foundation of our breeding program and we appreciate the opportunity to build upon pedigrees incorporating high type, profitable production, and consistent transmitting ability.

Your visit to see Ronnie and her herdmates is always welcome!

*It's been a great show season so far and we look forward to taking cattle to national competition.
We'll fill you in on more details as the fall shows unfold!*
