

In Tribute

To Another Leading Lady

SPRING-FED ELAND ALLIE (2E-90)

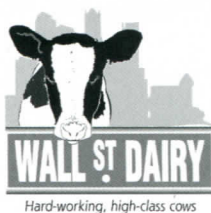

6-04 2x 365 32,970 4.3 1427 2.8 928

Lifetime: 157,650 4.3 6715 2.9 4532

Allie was a special cow for us and her recent passing at age 14 was a sad day at Wall Street Dairy. A maternal sister to **Spring-Fed Shark Attack (4E-93)**, Allie's dam was a 2E-92 Mandel with 4-04 2x 365 38,470 3.9 1485 3.0 1149 & 122,000M lifetime, followed by 3 more VG dams. Allie had 5 VG daughters over her lifetime and leaves several daughters and granddaughters here. Her latest daughter, **Wall-St Supersire Amelia-ET** b. 6-10-2014 and sired by Seagull-Bay Supersire-ET, is a gorgeous summer yearling prospect for this year's show string.

This maternal line has done so much for us, and we are honored to build upon the legacy of Allie & Shark Attack. It is a cow family that excels in type, production, longevity, and transmitting ability. Your visit to see them is always welcome.

**** Watch for our consignments to the Alfred College Spring Fling on April 3 and the Chautauqua-Cattaraugus Spring Production Sale on April 4!**
