

Good Looks Run In the Family

WALL-ST DUSK CORINA

1st Winter Calf & Reserve Junior Champion at 2011 Chautauqua Co. Holstein Show

1st Winter Calf & Junior Champion at 2011 Chautauqua Co. Fair

Member of our 1st Place Junior Best Three Females

Corina was one of the anchors of our 2011 show string. Sired by Scientific SS Dusk-ET *RC, Corina's hails from a long line of great cows. Her dam, **Norz-Hill Astro Cora-ET (EX, EX-MS)**, was sired by Astronomical and her granddam was an **EX Leduc** daughter. Her 3rd dam was the famous **Don-A-Dale Jet Crystal (EX-4E 3*)**, three-time Reserve All-Canadian Mature Cow and Reserve Grand Champion at both the International Holstein Show and Royal Winter Fair. The next 2 dams were both VG, CAN.

Corina is the kind we like at Wall Street Dairy – great type, popular sires, and backed by a strong maternal line. We welcome your interest and visit any time.
