

Her Full-Sister Sells August 15th in the National Red and White Convention Sale

Full Sister

We are pleased to offer one of our finest Red and White heifers at the 2013 National Red and White Convention Sale in Dunkirk, NY. **Wall-Street Advent Siri-RED** is a December 2011 beauty and is due to Ladd-P-Red in January.

She is a potential 10th generation VG or EX from the highly respected Swampy-Hollow Sugar/Sweet Family.

Siri's and Sun's dam, Supreme, is a Red-Marker daughter and the foundation of our Red and White herd at Wall Street. She is now 12 and enjoying retirement with the other senior citizens on the farm. This family combines pedigree, type, production, longevity and red factor.

We are honored to be chosen as one of the Convention farm tour stops this year, and we look forward to having you meet all of these girls and several other family members. We are also pleased to be hosting the farm tour luncheon at one of the many fine wineries near Wall Street Dairy.
