An everyday homebred favorite, June was one of the stars of our herd classification last month! Her dam is **Co-Vista Alex Jewel-Tw (EX-90, EX-MS)** with records to 26,240 3.7 983 3.5 926. The next six dams are all VG & EX with great production.

June has a fancy December '15 daughter here, **Wall-St Sabathia Jingle**, and is due back in early December to Morgan. June also has a younger full sister, **Wall-St G W Atwood July**, who made 19,617 4.1 798 3.5 678 as a milking yearling and she is due in December to Dragonheart.

Our June classification resulted in several Excellent cows gaining points and many others moved up in score as well. Another homebred favorite, **Wall-St McCutchen Ruthiana**, last year's Honorable Mention All-New York Fall Yearling, scored VG-87 at 2-07! Watch for her picture in a future *News!*
