

Our Fantastic Frizzle

SPRING-FED DAMION FRIZZLE (VG-88)

3-05 2x 317 21,100 3.8 796 3.1 648

One of our "up-and-coming" young cows, Frizzle puts it all together. A beautiful daughter of Erbacres Damion, she is a 6th generation VG or EX with a pedigree full of high scores, high production, and long-lived cows. Cows like Frizzle give us much to look forward to and we have great hopes for her two daughters sired by Million and Pagewire.

As we enter a New Year, we wish all our Holstein friends a Happy, Healthy 2012. Thank You to all who have supported us and to all who have purchased our cattle. We wish you every success with them. A special thanks to Bob Crowell, Tom Eccles, and Jeremy McChesney who have purchased several head of cattle from us throughout the year. We will be offering more great foundation individuals in sales this year so watch our future ads.

Your interest in our herd is always welcome and would love to have you visit us in 2012.
