SPRING-FED AMERY DELOVE-RED (VG-85)

3-00 2x 320 23,430 3.2 760 3.1 722

Delove is one of our most promising young red & white cows. Sired by Amery, she is backed by a VG-85, EX-MS Sabre and a VG-87 granddam. Delove is due in July to Pico-Red. Delove's Advent daughter, **The-Street Adv Delovely-Red**, is another of our favorites. She is due in July to Dusk.

Delove came to Wall Street Dairy by way of a trip to Spring-Fed Holsteins back in 2008. Our "mission" was to select first choice Shottle calf out of Spring-Fed Shark Attack, now at Wall Street and scored 4E-93. We selected Spring-Fed Shottle Ardene-ET, now EX-90 and a valued member of the Wall Street herd. As we were looking at the calves, Scott could not take his eyes off Delove, a beautiful February calf, and she too was purchased. Delove has proven to be a wise investment and is a reflection of Scott's great eye for cattle. His talent has been instrumental in helping to build the Wall Street herd over the past few years.

We enjoy the challenge of breeding top red & whites and would enjoy the opportunity to show them to you.
