

Congratulations Jordan and Kristen!

Our farm manager, Jordan Cook, married his long time girlfriend, Kristen Richards, a few weeks ago, after having first met in 4-H and rodeo activities. Jordan joined our team nearly two years ago from his family's operation in Lancaster County, PA, and he has done a tremendous job in helping to upgrade our herd from both a type and production standpoint. We were especially pleased with our recent BAA of 109.4. We classify again this month and Jordan promises that there are more points left in the barn!

Kristen has been very helpful on our operation since moving to Chautauqua County, and we especially appreciate her assistance with training and showing our animals. She was on the other end of the halter this summer with Wall-St Dusk Corina, our Junior Champion at the 2011 Chautauqua County Fair. Corina was featured in last month's *New York Holstein News* and Jordan is now a proud co-owner.

From the rest of us on Team Wall Street, congratulations and best wishes for a happy and long life together and thanks again for your many contributions!

Hard-working, high-class cows
