From the Heart of Shark Attack's Family

THE-STREET GOLDWYN ARIANA (VG-87, 2y)

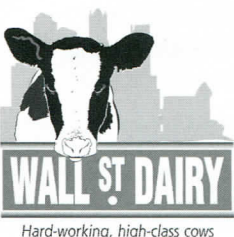

2-02 2X 365 31,158 3.7 1140 3.1 952

Due July 10 to Jeeves.

Arianna is one of our stellar young cows for both type and production. Her dam is **Spring-Fed Shottle Ardene-ET** (EX-91, EX-MS) followed by the Queen of the Herd, **Spring-Fed Shark Attack** (4E-93). Arianna has a March '12 Planet daughter, **Wall-St Planet Ariel**, who will show this summer in the spring yearling class.

Arianna is one of several outstanding members of Shark Attack's family here at Wall Street Dairy. We are milking daughters & granddaughters of Shark Attack sired by Sanchez, Goldwyn, Atwood, Alexander, and Advent, and we have frozen Atwood embryos from Shark Attack to implant in the future. We will continue to build upon this family that breeds true, generation after generation.

We are pleased to be part of the events for this August's Red & White Dairy Cattle Convention to be held in Chautauqua County. We are one of the host farms for their tour and will host a luncheon on August 14. Watch the Summer Issue of the News for full details and for information on our consignment to the R&W National Convention Sale August 15.
